"On the edge of Cap d'Ail and just outside Monaco, this is one of the premier villas in the region."

The 4,000 m² villa is a harmonious blend of luxury, tranquillity and seclusion. It offers striking views over the sparkling Mediterranean sea and is located only a three minute drive from the vibrant and dynamic life of Monte Carlo.

The spacious 6 bedrooms are all air-conditioned with a sea view and balcony and have been tastefully designed in light and sunny colours. 3 bedrooms are in the main house and 3 bedrooms are in the guesthouse, making this villa the perfect property for two families holidaying together.

There is a large heated infinity pool (12.5m x 6m) with a terrace and BBQ that is perfectly suited for watching the sun set over the neighbouring peninsula of Cap Ferrat. The villa also offers a fully equipped cinema room, large gym, parking for up to 10 cars and a sophisticated alarm system as well as table tennis and a large trampoline.
