"This Provençal farmhouse offers serene privacy with its beautiful enclosed garden, has excellent facilities and boasts close proximity to several quaint villages"

Mas de Sanctuaire is a beautifully renovated character property with contemporary designed interior complemented by several objets d'art that adorn the house. The property is only 2km from the fashionable village of Eygalières and a short drive from Saint-Rémy-de-Provence, with celebrated views made famous by the works of Vincent Van Gogh.

The interior offers a stylish and mature sanctuary and will no doubt prove popular with adults and children alike. If you are not outside enjoying the Provençal sunshine, the spacious living room, with beautiful white stone floors and minimalist furniture, provides a haven for relaxation. The bedrooms have their own bathrooms, exposed stone walls and magnificent timber beams are a particular feature that helps retain the original lovely character within the house.

There is plenty of space outside for games, a terrace for dining and, best of all, the pool is 15m long and large enough for plenty of fun and a proper swim. This all makes for an ideal holiday property, especially for families with children!

## **LOCATION**

Eygalières (2km) is popular with Parisians, artists and painters and is arguably one of the prettiest villages in the 'Alpilles' mountains that provide its backdrop. There is a Friday market when the cafés and bistros become lively with locals. 'Les Alpilles' are lovely for walking and its villages are quintessentially Provençal. We recommend a visit to Les Baux-de-Provence in particular (22km), a medieval village built on a spectacular rocky outcrop, and Arles (30km) with its Roman treasures, shady squares and Camarguais culture.
