"An exceptional 18th century Mas lovingly restored to the highest standards and set in a walled garden, within walking distance of the vibrant village of Pernes les Fontaines."

Built on three levels, it is exceptionally well decorated in pale, neutral colours with cool stone and terracotta floors and is sympathetically furnished with antiques.

The Mas has four bedrooms accommodating 8 guests with 2 shower rooms and a bathroom. Fully modernised kitchen with dining table and a large living room with French doors to the garden. There is a delightful walled garden plus a large barn with sitting area and dining facilities with barbecue area. Large 11m x 7m pool secured by a fence and there are several shaded areas to sit and relax surrounded by mature trees, shrubs and numerous fountains to add an air of tranquillity.

To the front of the house is the private parking area and a cherry orchard.

Pernes-les-Fontaines is a lively, picturesque market village with shops, bars and restaurants. Near Isle-sur-la-Sorgue famous for its antiques shops. Not too far is the magnificent walled city of Avignon, a UNESCO World Heritage Site, which boasts the gothic "Palace of the Popes", a wonder not to be missed.
