"A characterful and chic villa, welcoming and homely with a great position by the sea."

The ground floor is largely open-plan, offering a well-equipped kitchen with modern amenities, dining space and living room with floor to ceiling windows overlooking the gardens and opening on to a shaded seating area that provides a relaxed space for watching the boats in the bay. The refreshing interiors, with beamed ceilings and tiled floors are outshone by the splendid curved pool (12m x 5m), terrace and covered dining area, perfectly framing the Mediterranean sea and across the peninsula. The bedrooms on the ground floor benefit from access to the pool terrace, and the private balcony from the first floor bedroom is a perfect space for a morning espresso or an early evening sundowner. The fifth bedroom is located separately in the grounds, with external access and a private bathroom.
