Spreading over an area of 800 m<sup>2</sup> and hosting up to 16 guests, this luxury villa is ideal for large groups who'd like to have both exclusivity and proximity to the island's major attractions. Soak up the rays of sun while stretched on the comfortable sunbeds or enjoy a glass of chilled wine on one of the many balconies while gazing at the starry night. One of the most iconic features of the villa is its impressive beach entry pool and deck. Every corner of this residence has been given meticulous attention; picturesque pathways, cobbled surfaces that blend with built-in furnishings and garden plots brim with flowers to complete the picture of sensory bliss. With 8 double bedrooms, each with en suite bathrooms, spread-out across the main building as well as 3 guest houses, this Mykonian residence is among the most impressive on the island. The villa is within easy access of Mykonos Town, Agrari Beach and Platis Gialos Beach as well as the island's best spots and a superb starting point for exploring this fascinating destination.
