"Nestled at the heart of Salento, this fabulous newly renovated luxury villa with overspill pool enjoys 360-degree views over the Apulian countryside coated with olive groves and the Bay of Gallipoli, just under 5 km away".

Once a convent, a thorough renovation has incorporated many of the original features from the old structure, such as high vaulted ceilings, the tower, arched doorways and the inner courtyard, into a luxury contemporary house offering versatile accommodation distributed between a main villa and two new, independent annexes. Furnished in a minimalist style, this villa exudes elegance and sophistication throughout. The property is ideally placed to explore the region and enjoy the best Puglia has to offer: the rolling hills of Val d'Itria, otherwise known as 'Trulli land', some of Italy's finest sandy beaches and crystal clear waters such as Punta della Suina and Lido Pizzo, just within one mile of this villa, many iconic towns steeped in history such as Gallipoli, Santa Maria di Leuca, Otranto and Lecce.
