"A heatable infinity pool, mountain views and close to Pollenca in the north of Mallorca, Villa Noranta is a true refuge surrounded by pine trees. Sleeps 8 persons in comfort."

It really doesn't get much better than this. The stunning infinity pool (heated on request and with stepped access) is surrounded by pine trees and offers the most gorgeous panoramic views. It's the perfect place for a pleasant dip anytime of day. Or simply relax with a good book on one of the luxury loungers or cosy sofas positioned on the spacious poolside terrace. After a day in the sunshine, you also have the option of cooling off on the lovely, covered terrace.

Why not take a stroll around the lovely landscaped gardens, finishing off with a game of outdoor table tennis? Then in the evening, stoke up the barbecue for an al fresco dinner with family or friends. The brilliant glass fronted balcony stretches right along the front of the villa and offers absolutely stunning views overlooking the valley. The extremely spacious ground floor, open-plan living/dining area is all rather beautiful. Expensive drapes, large sliding windows opening out onto the terrace, cosy plush sofas to sink into, classy furniture, fireplace, large satellite TV...all the home comforts are here for you to enjoy. There is a large open kitchen which features the latest appliances - the perfect place to cook up a culinary treat. There are four beautiful and spacious bedrooms - three doubles and one twin. All come with ensuite bathrooms and there is an additional guest bathroom too.
