"Close to the beach and sporting a host of accessories; a perfect family villa."

With the beach about 300 metres from the villa, a swimming pool, air conditioning, a games room with pool table, table football and table tennis, plus plenty of space for dining al fresco with the barbecue at your disposal, this is a villa that arguably has it all.

Located on the Troia peninsula, about 10 kms from fashionable Comporta, it is also exceedingly well located with golf, tennis, a spa, supermarkets, bars and restaurants all within 5 kms. There is even a local community of dolphins!

The villa is located on a complex of others villas and has 24 h surveillance.
