“Arguably one of the top front-line villas in Croatia. Incredible views and ultra modern touches blend seamlessly with its grand past. Lord Byron’s ‘Pearl of the Adriatic’, Dubrovnik, is on the doorstep.”

With an elevated cliff top position overlooking the turquoise sea below, there are endless and spectacular views. Villa Bellavista is an architectural masterpiece and completely unique in style, comprising some 6500m² of space divided across a main building with three floors and an annex. Guests will enjoy the elegant Italian designer furnishings, state-of-the-art entertainment systems, the impressive wine cellar and if you wish to stay active, the gym area offers all you could need. There is additionally a sauna and steam room for when winding down after a days sightseeing is required.

The outside area includes a beautiful pool with sea views; watching the mega yachts pass by, perhaps with a glass in hand, is one of life's more genteel pursuits! There is also a large shaded pergola area – perfect for al fresco dining. There are some 8000m² of professionally landscaped grounds comprising terraced gardens with centuries-old olive trees, bougainvillea, lavender and swaying palm trees which lead all the way down to the beach. A garden pavilion with a scenic terrace offers yet another spot to enjoy a cocktail to a wonderful panorama.

George Bernard Shaw once stated 'Those who are looking for paradise on Earth should come and see Dubrovnik'. We think that bit of paradise should extend a little further to Villa Bellavista! The airport of Dubrovnik is about 30 minutes drive away. The trendy beaches of Banje and Sveti Jakob are a few minutes walk away.
