Villa Gabrijela is located in the rural village of Stanici which is steeped in history and has all sorts of sporting facilities such as rafting, zip-line, canoeing, climbing, hiking and cycling trails and water activities. Just 6 km away is the town of Oms where you can also hire a boat or have a day trip to the beautiful island of Bra?. 700 metres down the road is the beach, as is the centre of the village where there are restaurants, cafes, bars and shops. Everything is within walking distance, however as the villa is on a hill a car is recommended for families with young children or those with walking difficulties.

Villa Gabrijela is equipped to a high standard and offers everything you need, especially the incredible sea view from every room which will make your holiday unique.

The main living/dining area/kitchen on the first floor has a southern window with a breathtaking view of the sea making cooking a pleasure in the modern, fully equipped kitchen. Each of the bedrooms has a TV and two have their own terrace enjoying the magnificent views. On the ground floor near the pool, there is a fitness room with TV, sauna, shower room and solarium. Outside, behind a large glass wall in front of the sauna, is a hot tub for 5 people.
