"An exclusive, contemporary villa with private pool and panoramic 360 degree views situated on top of a rocky outcrop on the outskirts of the roman village of Venasque. Arguably one of the prettiest villages in Provence."

Villa Pierre was built in stone to blend into the surrounding landscape. Its design captures the warmth of the light, ultra-modern furnishings, high quality fittings and with the use of neutral colours creates a stylish accommodation over three floors. Its design enhances breath-taking views from floor-to-ceiling via bay windows. The property offers four luxury bedrooms, each with en-suite bathrooms, and a large terrace with pool including a roof terrace with panoramic views of the wild rugged landscape and Mont Ventoux.

The quaint village of Venasque with its narrow streets, stone houses and ancient monuments has a selection of excellent restaurants. Not too far away is Pernes les Fontaines, with its many restaurants and famous weekly market. This region of Provence offers a multitude of things from wine tasting to challenging activities from cycling, hiking or horse riding. These can be arranged via the concierge service.
