"This grand, newly-built Mediterranean villa with heatable, infinity pool is part of an exclusive, private domain within the prestigious Les Parcs de St Tropez residential area. Fully immersed in extensive, lush gardens, this villa offers privacy, direct access to the sea and close proximity to St Tropez and other resorts along the French Riviera".

Seated in 8,000 m2 of stunning landscaped gardens, this villa is located in an exclusive residential area of St Tropez, this expansive property has direct access to the sea and a breath-taking 20 m-heated infinity pool. Its rolling, emerald lawns are perfectly bordered with Mediterranean planting, palms, pines and bougainvillea. The perfect venue for sophisticated garden parties or large family gatherings. This traditional yet opulent terracotta villa is adorned with sumptuous fittings and finishes, gleaming marble, soft Italian stone and elegant parquet. The two-bathroom master suite, designer kitchen, bespoke furnishings and fine art complete this luxurious property. Its spacious terraces and large, airy rooms look out to panoramic views of Bay de Canebiere's azure waters, while its closed, rear courtyard offers a more intimate space. The property's vast plot, extensive pool, ample private parking and integrated guest apartment make it both very private and a rare find.
