The villa comes with the highest level of service from your private Michelin trained chef, discreet personal villa host and daily maid team. Discerning travellers looking for the perfect St Tropez base will truly appreciate the high level of service offered at this property and the relaxed, pristine and spacious outlook of the villa.

Access to St Tropez and the Pampelonne beach clubs is via an un-congested back road, the Chemins des Salins which goes straight from central St Tropez to the beach (La Plage des Salins). There are lots of activities very close by. Plenty of outdoor space means there is always something to keep each member of your party amused, including a boules pitch, Helipad, very large heated salt water pool, outdoor kitchen/bar and chillout area in the pool house, great for outdoor evening alfresco dinners.
