This newly refurbished villa complete with air-conditioning and heated pool is situated in an exceptional location just 700 metres above the Plage d'Aiguebelle. Villa Falaise sits on the cliff side, providing stunning views across the sweeping Bay de Gau, Cap Bénat and Les Iles de Port Cros.

Spreading over three spacious levels, each of the villa's rooms face the sea and offer the highest standard of modern comfort and convenience. The large open plan living room with patio windows gives access to the terrace and its magnificent views. There is also one bedroom with ensuite on the upper level with the three further bedrooms on the lower level.

Villa Falaise offers an ideal location for those wishing to experience the unspoilt charm of this renowned seaside region of the French Riviera coast. Wake up every morning to breath-taking views of the Mediterranean Sea while enjoying your breakfast from the covered terrace or take a refreshing dip in the beautiful infinity pool overlooking the sea.

Thanks to its ideal situation on the border between St Tropez and Provence, Villa Falaise is an excellent base for exploring these very diverse regions. If you venture inland, you will encounter peaceful rolling countryside dotted with hilltop villages such as Bormes Les Mimosas, which features weekly markets and restaurants. Along the coastline, you will find Le Lavandou with its spectacular scenery, fine sandy beaches, turquoise seas and several lively resorts with cafes, marinas and palm tree-lined promenades where you can spend unforgettable days during your vacation.
