"A great spot to unwind & soak up the Greek way of life. Beach 400 metres away."

Located in the north east of the island of Paros, this is a four bedroom accommodation split between a main house (with two beds) and two separate guest houses. All living areas are surrounded by terraces, ideal for relaxation and dining al fresco. The rectangular swimming pool, set amongst flowers and shrubs is a perfect refuge, either for swimming laps or soaking up the sunshine in the most genteel way.

The main house itself is built over two levels with large inviting windows (the ground level comprising the main living area, including kitchen and dining facilities). There is a bedroom on each floor in addition. The two guest houses each have one bedroom apiece, minimal in style, with panoramic views all around.

The nearest beach is approximately 400 metres away. Nearest town Naoussa 9 kms, Paros airport 24 kms.
