"Spectacularly set in one on the most attractive areas of the island of Mykonos, overlooking Kalafatis and Kalo Livadi Bays, this large private estate comprises two adjacent luxurious villas whose capacity to welcome up to 26 guests makes it the ideal choice for several families and friends on holiday together".

This exclusive estate is recommended for holidays, events and weddings as it features a specially designed 1,200m2 communal area with seating as well as a private chapel. A further 600 m2 area by the pool can host special events. Both villas boast the typical Cycladic architecture with whitewashed walls, simple geometrical lines and ample use of wood for the interiors.
