"This extensive luxury domain on the Greek island of Mykonos is the ideal setting for a unique special celebration, relaxing holiday or luxury corporate event for a large group of up to 36 guests, complete with all the luxury features of a 5-star resort".

This majestic Mykonian estate is the ultimate private resort for a large group of people. With its vast luxurious common areas, its two separate villas and numerous independent guest houses, it can accommodate more than 30 guests and is an ideal venue for a family reunion, a special event, or a lavish company retreat. Ideally located to offer maximum privacy but also easy access to some famous beaches, this luxury compound is a gated domain with gorgeous panoramic views of the Aegean Sea, in the area of Pyrgi and very close to Super Paradise, on the island's southern coast. Designed in multiple levels and in the traditional island architecture, it incorporates natural elements of the landscape and the earth and grows organically around it. The swimming pool melts into the rocks, brilliant white complements the stone, and exceptional details pay homage to tradition: a wood oven, a stone-paved terrace, a pergola, a little white chapel.

The compound consists of two main buildings: a 5-bedroom villa and an 8-bedroom villa; also it includes an additional unit with private swimming pool and 4 separate guest houses with unique design and equally equipped with modern appliances. There are several common areas, indoor and outdoor, allowing for everyone to come together, or spend some private quality time enjoying the stunning views, if they so choose: the estate features three swimming pools (one per unit) with sun beds, day beds, dining areas, lounges, seating areas, terraces, a BBQ area and outdoor bar. The compound also includes a helipad, a charming chapel overlooking the sea and a stand-alone professional kitchen facility.
