"Perched upon a rock above Turlos, with views over the town and the Aegean sea, is this villa consisting of two attached one-bedroom units with communal terrace and infinity swimming pool - ideal for couples on holiday together on the splendid and vibrant Greek island of Mykonos".

This newly built residence is organically connected to the Cycladic landscape, with parts of the rock integral in its stunning design. With built in beds, bathtubs, and curved elements, and rock formations sprawling through the walls, this is a place where Cycladic purity meets contemporary architecture. Each of the two one-bedroom suites comprises a fully equipped kitchen and living room, thus providing complete autonomy and privacy. The generous communal grounds are designed for guests to come together to share fun moments by the lovely tear-shaped swimming pool, or unwind at the stylish lounge and sitting areas, in front of uninterrupted vistas of the Aegean.
