"Villa Alecta Is situated in the most privileged location of Elia in Mykonos. Beautiful relaxing infinity pool and stunning views."

The white minimal interior of the house with smooth curved edges and simple deco gives a relaxing ambience. There are splendid views from all corners of the house from its prominent position above Elia beach and Agrari; the house being designed as it is to make maximum use of its spectacular vantage point.

The infinity pool seems to almost merge with the backdrop of the sea behind it, the rest of the grounds are equally as impressive with a shaded pergola area for meals enjoyed al fresco or time simply spent relaxing, perhaps with a good book. The barbecue and external bar area complete the scene.

The nearest beach is Elia at 1.5 kms, Ano Mera village is 8 minutes drive. The town, airport and port are 12 minutes drive away.
