"This refined Mykonian residence sits on a hilltop above the Aegean sea in Agios Stefano, just minutes away from the beach and a short drive from Mykonos town and its port - active types of guests will particularly enjoy having a beach soccer court to play matches whilst they stay at this villa!".

The main house and three separate annexes provide every modern comfort and can accommodate 14 people in 7 bedrooms. The characteristic cubic architecture of the Cycladic islands is combined with stone and earthy materials. The exterior boasts a wonderful 80 square-meter swimming pool and an amazing covered dining area where the guests are going to love spending time. The garden and its yucca trees, the expanse of terraces, the seating and lounge areas, all offer majestic, unobstructed views to the Aegean Sea. For those preferring activities to relaxing by the pool at sunset, there is a mini beach-soccer court, but also two barbeque areas. Also, the beach of Agios Stefanos is just 600 meters away, and the Chora is also near.
