This fully furnished villa is built on five levels, covering a total of 750 m2 in 5,500 m2 of land, with an orientation towards beautiful sunsets and shaded during the hot part of the day. Decorated in a contemporary interior design, with classical pieces, elegant furniture and newly renovated bathrooms in modern, minimal style, this villa features two very spacious master bedrooms with amazing views to the sea and private verandas, as well as six more bedrooms for the accommodation of family and friends. Tranquil colors, fabrics and furnishings create a precious combination giving each room its own personal minimal style. Leisure is guaranteed in the private home cinema room, the mini gym and sauna in the lower level, or the backgammon table in the main living room and the table tennis and bar in the playroom.
