"This villa is a splendid fully air-conditioned 5-bedroom retreat with private swimming pool and Jacuzzi, on the renowned Greek island of Santorini. It enjoys striking views over the Aegean sea and other islands of the Cyclades archipelago, providing the perfect relaxing setting for an unforgettable holiday".

Its design seamlessly blends in with the surrounding landscape and offers a modern take on the traditional island architecture. The sea-facing part of the house opens to large terraces equipped with lounge and dining arrangements. Right below, there is a stone-paved swimming pool area and a gravel garden. The interior is spacious and ultimately luxurious in its simplicity. Contemporary furnishings in natural tones are set against a uniform white palette, creating a soothing, relaxing vibe. The bedrooms are cosy, stylishly decorated and fitted with windows that frame stunning views. The villa includes a world-class recording studio that is often used by international artists.

The accommodation comprises: **Ground level** - Living area with open-plan kitchen/ diner; a Guest WC; 1 Double bedroom with en suite bathroom; 1 Twin/ Double bedroom with en suite bathroom. **Top level** - 1 Double bedroom with en suite bathroom. **Lower level** - 2 Twin/ Double bedrooms with en suite bathrooms. **Grounds** - 4 decked terraces with lounge areas, swimming pool and Jacuzzi area; BBQ area.
