"With an amazing seafront position, stunning sea views and classic Italian style, this is one of the WOW villas of the Amalfi coast."

THIS IS A STAFFED VILLA COMPRISING A CHEF AND A MAID.

This is a visually stunning property where the amazing seafront location and mind blowing sunsets will leave memories for a lifetime. There is also a large salt-water pool right along side the sea, plus space for your own private mooring. The coast is full of little inlets and villages, perfect to find a beach spot and fine local cuisine: fresh seafood and Fiano wine awaits!

Access is from the road that links all of the Amalfi Coast, via a large gate that leads to the car park, then up a short flight of steps, leading straight into the large flower garden that goes down all the way to the large terrace that surrounds the upper part of the villa, where you will find the outside dining-area. The opposite part points out over the sea like the prow of a ship, with a beautiful view of the promontory of Praiano. Then you go down to the terrace below, still with a beautiful view, and from there to the private sea-water swimming pool and towards the private path down to the sea. The villa is on three floors: the first includes the kitchen with access from the outside, the open-air dining-area and the internal dining-room; the next floor, down a flight of stairs, opens into a large living room with an old Vietri ceramic floor, with satellite TV and fireplace; finally, down another internal flight of stairs, you come to the sleeping area with the 5 bedrooms, each with private bathroom and with air-conditioning.
