"From the top of Kounoupa hill the views across the sea and the Cyclades islands are simply mesmerizing, especially at night - ideal for large groups seeking a certain degree of privacy whilst on holiday together, this luxury 3-villa complex with 3 swimming pools treats its guests to such a vista as they enjoy an unforgettable holiday on the Greek island of Mykonos".

This brand new exclusive compound spreads in two levels, and features 9 en suite bedrooms to welcome up to 18 guests in sophisticated comfort. Inspired by the colors of nature, the villas blend in the landscape. The three units are completely independent and designed in a style which evokes high end modernity and traditional Greek minimalism. Their interiors are airy and delightful. Bedrooms filled with panoramic views of Mykonos and – at night – its myriad dancing lights. The guests come together in the marvelous common areas outside: there are lovely shaded lounging and dining areas, terraces with irresistible sunset views and, of course, the main pool area, which is dominated by a spectacular 100 m2 infinity pool with Jacuzzi, complete with sun-loungers, seating areas, pool bar and pool showers. However, each unit comes with a private pool for relaxing moments of privacy.
