"Dating back to the 18th century, this is a private and well located villa with stunning views over Positano and the coast."

Originally a noble residence, the Villa Giulia is now a fully restored and luxurious villa with modern comforts. It is just a few minutes walk from the pedestrianized streets of Positano and the beach.

The villa is split over three levels - the main floor encompasses most of the main living areas, with the lower level accessing to the swimming pool, terrace and bar - an enticing spot to sit and soak up the beautiful views in front of you. The are various antiques and objets d'art including chairs in Louis 16th style, tiled floors and other ornate furnishings.The large garden area is some 750 metres square in size.

Positano centre is approximately 800 m (5 minutes walking distance), one can also easily visit Capri or Sorrento from the boat service in the town. Pompeii is about 30 miles, Naples airport 60 miles.
