"This is a very special arabesque style villa situated on the delightful Amalfi Coast between the towns of Positano and Amalfi. This amazing property in one of the most sought after locations in Italy provides unique accommodation boasting a beautiful private swimming pool and sun terraces all enjoying stunning views of the sea below."

Situated above the lovely village of Conca dei Marini on the beautiful Amalfi coast, Villa Moresca is extremely comfortably furnished. The villa, reached by 160 steps from the main road, is built on a slope, and the accommodation spreads over three floors.

On the lowest level is the gorgeous swimming pool (10m x 4m) with sun terrace furnished with sun loungers and with a fantastic view of the bay. On this level reached via external steps is a twin bedroom with ensuite shower/w.c.

The middle floor has a dining room with patio doors leading onto a small balcony, a fully equipped kitchen, a comfortable living room and two double bedrooms (one with balcony) which share a shower room. Internal steps lead from the middle floor to an spacious attic bedroom which has an ensuite bathroom with hydromassage bath and a terrace with an enchanting view of the sea. With external access via steps from the villa is another annex twin bedroom with ensuite shower/w.c.

Villa Moresca is the perfect choice for those seeking very comfortable accommodation in this beautiful area of Italy. Its private swimming pool is a special highlight and there is plenty of room for relaxing, whilst admiring the stunning views both by the pool and on the sunny terrace. When you can tear yourself away from this idyllic spot, there is plenty to see in the area. Lovely whitewashed towns such as Positano and Amalfi built loftily on the hillsides looking down towards the clear blue sea are close by, and you can also enjoy a trip to Mount Vesuvius or the ruins at Pompeii. Sorrento is also well worth a visit. The local bus service reaches many of the local towns, and there are normally organised excursions available, as well as boat trips along the coast, and to the islands of Ischia and Capri.

Note: There are steps to the villa, seafront and surrounding area, therefore this property may not be suitable for persons with walking difficulties. The villas caretaker has use of a room underneath the villa whilst looking after the house and pool, but will avoid disturbing your privacy.

Extra services, such as maid service, cook, private excursions can all be organised locally on request. The villa is normally rented for 10 pax, however it is also possible to rent the villa for smaller groups at a reduced rate. (Details available on request).
