"With an elevated position overlooking the beautiful town of Positano, walking distance to the beach, shops and restaurants, plus a heated private pool, get ready for pure bliss."

The pretty pink residence in the fantastic setting really does exist, full of character and elegance, with painted ceilings and terracotta floors, marble fireplaces and ornate but delicately wrought period furnishings, the three-storey villa is filled with light from the many windows that open on to balconies and terraces draped with cascades of purple bougainvillea.

All rooms and suites have sublime views. The main terrace is broad enough for sitting out in comfort and includes a swimming pool of a size that is most unusual in Positano, where space is at a premium. Chef service is available on request to make your stay in magical Positano extra special and unforgettable.
