"The fabulous seafront situation along Sicily's south-east coast of this immaculate contemporary villa with heatable salt-water pool and hydro-massage corner makes it a very appealing choice for a care-free, luxurious beach holiday, a few steps away from the beach and close to the baroque towns of Noto and Ragusa Ibla."

Sunday arrivals for last week of July and all August.

This is an exclusive seafront property in Marina di Noto. Set in a fabulous position along Sicily's south-east coast, this contemporary villa is a few kilometres from Noto's historic centre and the Vendicari's nature reserve. Surrounded by a small garden and spacious terraces, this property offers a heatable salt-water swimming pool. Spread over two floors, its cosy interiors feature large glass windows overlooking the sea and include a spacious living room, a kitchen and four double bedrooms with en suite shower and seafront terrace. The villa comes with all mod cons, such as air conditioning and heating in every room, washer-dryer, dishwasher, ice maker, Nespresso coffee machine, electric oven and microwave. The villa enjoys a convenient location with the most beautiful baroque towns of the Noto Valley, the seaside resorts of Marzamemi and Portopalo di Capo Passero, but also with Syracuse, Catania and Taormina that can be easily reached by car.
