- With WIFI

"Built into the hillside with stunning views over the Bay of Banderas, this is a modern architect designed villa with style."

The villa is perfectly situated to balance privacy with convenient access to Mismaloya Beach and Puerto Vallarta. The beach is about ten minutes away on foot and you're within easy reach of Playa Los Muertos. The city is just fifteen minutes to the north by car or via the excellent public bus system.

Four king bedrooms, one queen bedroom and one twin room all open to balconies and enjoy air conditioning, ceiling fans, TVs and well-appointed ensuite bathrooms, four of which include bath. The master suite on the top-floor enjoys privileged vista and a superb jetted tub in its bathroom.

The villa's terraces and balconies invite you to savor open-air pleasures. Play in the infinity pool and bask in the sunlight on lovely lounge chairs facing the sublime panorama. Gather for alfresco meals from the well-appointed outdoor kitchen with barbecue grill and sip your favourite drink as the sun sets.
