"A tasteful, well presented villa close to gorgeous sandy beaches and the resorts of Quinta do Lago and Vale do Lobo."

This is a spacious five bedroom villa, possessing everything needed for a comfortable and relaxing holiday. The closest restaurant is only 300 metres and within five minutes you can be in the centre of Quinta do Lago with its shops, bars and restaurants. Vale do Lobo is similarly close.

The five bedrooms are all ensuite and there is air conditioning throughout the property. There is also a modern and fully equipped kitchen with a central island, which directly accesses to the barbecue and both indoor and outdoor dining tables. The bright and fresh living area also directly accesses the terrace. The property has of course WiFi and English television channels, whilst in the basement there is a games area with pool table, bar and a cinema room.

The relaxing pool and terrace includes two 'chill out' areas, perfect for taking time out after a leisurely swim in the pool or perhaps somewhere to sit with a book. The outdoor dining facilities also ensure unforgettable al fresco meals await, perhaps with the catch of the day on the barbecue or to enjoy cocktails of an evening.
