“With views overlooking the Vila Sol golf course near Vilamoura, this is a golfers' dream! For those wanting to chill by the pool, it's pretty good too!”

This is a modern villa equipped with everything needed for a relaxing break. All bedrooms are en suite. The property has full air conditioning, WiFi throughout, underfloor heating and the pool can be heated on request.

The marina of Vilamoura is nearby (2 km) with a variety of restaurants, shops and bars. Why not try trendy 'Bar Sete', co-owned by footballer Luis Figo on the waters edge, a spot of cabaret at the casino and then onto the Algarves biggest nightclub (15 minutes away outside the village of Maritenda)? If you like fun-packed days out, there are 4x4 adventures through the countryside plus a variety of watersports including parasailing, wakeboarding and waterskiing. Yacht charters are also an option. Cultural days out may include day trips to Seville (why not hop over the border and explore this Spanish gem), or Lagos and Sagres (see where Henry the Navigator sailed from, clifftop fortresses and the museum of Santo Antonio).
