"One of the most luxurious and contemporary villas available in Mallorca. Two full time housekeepers and daily breakfast included."

Set on a large elevated private position, this 500 m2 villa offers five double bedrooms all with en-suite bathrooms and floor-to-ceiling windows with magnificent views of the port, mountains and sea. The incredible master 'emperor' bedroom has 180 degree views and a stunning dressing room and en suite. There are two further king-sized bedroom suites in the main house both with ample cupboard space and luxury fitted bathrooms. The guest apartment is connected to the main house and offers a further two double en suite bedrooms.

Whilst the villa has many spectacular features the pools and terraces are what set it aside. The large main pool terrace seamlessly flows from the living area creating a fully integrated in-out living space. The main infinity pool is a salt and chlorine pool, heated to 28 degrees outside of July and August, the views from the terrace are magnificent. Plenty of dining space, cooling showering facilities and remote controlled sun shades ensure you have as much or as little of the heat as you require.

Boasting 100m2 of open-plan living, it is furnished stylishly but with comfort in mind. A German built kitchen offers the very best Gaggenhau appliances, plenty of work space and cooling facilities. Just off the main living space is the Billiards Room. With a 7ft bespoke billiards table a game of snooker or pool can be enjoyed, in addition backgammon and other games can be found here. The roof at Villa Infinitum offers unrivalled views of mountains, the port and the open sea. In the day it is an area for peace and quiet with a seating area and plunge pool. The early evening is when this area comes into its own. Fully equipped kitchen with grill, side burner, sink, refrigerator and dishwasher offer guests the opportunity to cook rooftop dinners under an automatic retractable pergola. The bar is perfect after the days sun watching the world go by.

A must for every stay should be a Marc Fosh trained chef dinner, specifically commissioned by Villa Infinitum with our very own approved menus. These are private and exclusive; the perfect way to spend a Mallorcan evening. There is a large reclaimed dining table and a comfortable sofa area for television viewing with German and English channels, Netflix and Apple TV.
