"Situated within a luxury domain encompassing exclusive communal facilities to keep the family amused and entertained whilst on holiday, this newly refurbished, 2-bedroom apartment is close to the Aloha Golf resort on the edge of Marbella and boasts a spacious south facing terrace overlooking the pool and the lush communal gardens".

The apartment is located within a new award-winning complex that is new and has many wonderful facilities just as a luxury hotel resort has. The tropical communal gardens are wide and well maintained and offer 3 large pool areas and a poolside restaurant with an outdoor pizza oven. An official reception, children's club and state-of-the art gym with spa and indoor pool (small extra fee required) make this high standard complex a complete package for the entire family to enjoy. The Golf course nearby means you can easily play throughout your holiday, if you wish.

This apartment boasts a Scandinavian design which makes it bright and modern, conveying a sense of spaciousness with an open kitchen with breakfast bar. Here you can cook up dinner whilst still enjoying a nice chat with the other people in your party enjoying the living area. The living room is fitted with a large and comfortable corner couch from where you can enjoy the smart TV. Furthermore, there are two bedrooms each with their own bathroom. From the living room you step out onto the spacious outside terrace where you will find plenty space to relax. There is a lounge corner, large dining table and 2 sun loungers. It is south facing so enjoys sunshine most of the day.
