"This delightful 4-bedroom villa with private sea-water pool is perched on a hilltop overlooking the village of Skola on the Greek island of Patmos - a place in which to find perfect peace and blissful seclusion surrounded by the enchanting view of the Aegean sea, yet within a few hundred metres from the beach, restaurant and shops".

Ideally located to offer peace and privacy but also easy access to the port of Skala, the beach which is just short stroll away, and the picturesque Chora, capital town of the island, this charming family holiday villa comprises three independent guest houses which can welcome up to 9 guests in style. Whitewashed in traditional Greek island design, the house is beautiful in its simplicity, allowing for the breathtaking view, to take center stage. In fact, everywhere you sit, there's the sea keeping you company, sparkling in the morning sun, darker as the day passes, taking superb mauve tones before nightfall. The exteriors feature an incredible sea-water swimming pool, lounge and dining areas, spread around the property in the lovely balconies, the shaded terraces and the traditional pergolas. Adorned with blue shutters, the villa is styled in delightful traditional tones and features wooded ceilings, built-in or traditional iron beds, amazing marble sinks and a rustic kitchen.
