"Originally built by an art curator, this stunning Hollywood hill top estate is nestled on top of Sunset Plaza Drive boasting nearly 10,000 square feet of living space, 7 bedrooms, 8 full bathrooms with one half bathroom, incredible pool and breath taking views of the Los Angeles basin."

This is the ultimate 'Hollywood Hills' modern estate that resembles that of a art gallery, with concrete walls and 40ft ceilings, custom designer gourmet kitchen, breath taking views, and luxury amenities. The decor matches the modern architecture of the house with hand selected pieces the owner has imported from various countries. The estate is an entertainer's dream with it's 40 ft foyer complete with state of the art DJ booth, sound and light system and its theatre room with top-of-the-line surround sound system.
